5. CO2 Output

CO₂

The CO₂ Gun can be connected with different types of gas bottles.
With the 22,5kg bottle you can shoot up to 60seconds.
With the 37,5kg bottle you can shoot up to 90seconds.

Accessories

The CO₂ Gun is provided with Co₂ through a hose that is connected to a gas cylinder.

The CO₂ hoses are for sale and rent in various lengths.

- 5m
- 10m
- 15m

CO₂ Hose

Quick Connector

Installing

Connect the CO2 Hose tot the input of the Co2 Gun as shown in the pictures.

Connect the other end of the hose to the gas cylinder.

Open the CO2 bottle by turning the knob to the open side and make sure it is completely opened.

The CO2 Gun is now ready for use. Pull the handle to fire.

Turn the safety catch downward to lock the handle after use.

Disconnecting

After using the CO2 Gun close the valve and shoot the remaining CO2. Disconnect the hose from the bottle and CO2 Gun and turn the safety catch downward.

Warranty

The CO2 Gun has a 3 year warranty which will be void if the CO2 Gun is handled differently than described in this manual.

The warranty is void when the CO2 Gun has been opened by anyone other than the Confetti Maker.

The Confetti maker is not responsible for any paint or hardware damaged as a result of rough handling.

CAUTION! Always contact your supplier in case of malfunctions.
Never try to repair the CO2 Gun yourself.

WARNING

READ THIS DOCUMENT BEFORE INSTALLING OR USING CO2 GUN

IMPROPER SELECTION, IMPROPER USE, USE BY ANYONE OTHER THAN TRAINED USERS HAVING APPROPRIATE TECHNICAL EXPERTISE OF THE CO2 GUN CAN CAUSE DAMAGE TO EQUIPMENT OR PROPERTY.

This document and other information from the CO2 Gun, its subsidiaries and authorized distributors together only provide product installation guidelines and product or system usage options, each of which are intended to operate in conjunction with further investigation by trained users having appropriate technical expertise to facilitate the safe handling and use of the CO2 Gun. The CO2 Gun is not intended to be used or handled by any users other than trained users having appropriate technical expertise. The information and documentation contained in our catalog and on the website, www.theconfettimaker.com, is only provided for technical illustration purposes only and may not be used or relied upon as a statement of suitability for use in any particular application. Users, through their own analysis and testing, are solely responsible for assuring that the CO2 Gun is used in a safe and intended manner with all performance, endurance, maintenance, safety and warning requirements necessary for safe application being met.
